Price List 2009

Your special day captured for ever
Traditional and contemporary
photography at affordable prices

M & J Photography offers over 35 years photographic experience. We are confident that the combination of our friendly service and attention to detail will enable us to capture the magic and joy of one of the most important days of your life.

Your wedding day is a unique occasion. We believe it is a privilege to photograph a couple's wedding day and we aim to capture the happy event for future posterity in a creative and artistic way. There is no restriction on the number of photographs taken*, this allows us capture every special moments, enabling the individuality of every wedding to shine through.

We offer a service custom made for your needs. At most weddings we take between 100-400 photographs As well as photographing the marriage ceremony itself, we can also capture the bride's pre-wedding ceremony preparations. For an extra charge we can stay on until the end of the reception.

Classic black & white or sepia photographs are available on selected packages
* Dependant on package chosen
